

3 simple steps sponsoring a student(s):

- 1 Choose a student(s), specifying the age, gender and grade
- 2 Provide a schoolbag with school supplies of your choice (Refer to examples on the right for ideas)
- 3 Include \$5 per school bag to contribute to the shipping cost

Project aimed at providing less fortunate children in St. Lucia with the basic necessities for school.

The Knapsack Project has started. You may now obtain the names of children that are to be sponsored.

The Last Date for the Knapsacks to be in is April 16, 2011. A \$5.00 donation is asked to accompany each knapsack to help with the shipping of the bags.
